## **Objectives**

1. Describe 5 key elements in implementing a culture of health as exemplified in programs discussed.
2. Identify 3 strategies for translating lessons learned into day-to-day practice.
3. Explain 3 examples of programs that demonstrate a culture of health in action.
4. Explain 4 effective practical applications of lessons learned.
5. List 3 ways a culture of health may be cultivated during deployment.
6. Identify 3 resources to turn to for help in implementing lessons learned.
7. List 2 strategies to overcome adversity when accomplishing objectives.
8. Explain 3 skills to develop to help implement a culture of health while still doing day-to-day job.
9. Cite 3 day-to-day obstacles that will hamper implementing a culture of health.
10. List 3 ways to overcome barriers to implementation of a culture of health.
11. List 4 techniques for enhancing leadership skills.
12. Explain the Robert Wood Johnson Foundation initiative.
13. Identify and describe relationships between patient and practitioner knowledge, attitudes, beliefs and behaviors and use information to design pharmaceutical care plans.

## ACCREDITATION STATEMENTS:

©CPE: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program is a designated event for pharmacists to receive **1.90** CEUs in pharmacy education. The Universal Activity Number is **0387-9999-17-150-L04-P**.

This is knowledge based.

Once credit is claimed, an unofficial statement of credit is immediately available on TCEOnline. Official credit will be uploaded within 60 days on the NABP/CPE Monitor.

**DISCLOSURE:** In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, presenters, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. Planners have reviewed content to ensure there is no bias.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

*CDC did not accept commercial support for this continuing education activity.*

### **To receive continuing education (CE):**

Complete the activity

Complete the Evaluation at [www.cdc.gov/TCEOnline](http://www.cdc.gov/TCEOnline)

**FEES: There are no fees for CE.**
